

## Press Update...

6 June 2001 – for immediate release

### Men's World Cup Qualifier - Edinburgh Revised Pools and Match Schedule

The pools and match schedule for the 10<sup>th</sup> Men's World Cup Qualifier has been revised, following the inclusion of New Zealand in the tournament

The revision aims to ensure that the composition of the pools remain equitably weighted, based upon recent performances of the respective teams. As a result New Zealand has been placed in Pool A (replacing the United State of America) and the United States of America placed in Pool D (replacing Zimbabwe).

Revised pools as follows:

Pool A	Pool B	Pool C	Pool D
Egypt	Argentina	Chile	Canada
India	Bangladesh	Japan	Poland
NZL	Belgium	Scotland	Russia
Wales	France	Spain	USA

A revised match schedule reflecting these changes is attached.

Ends.
